

Pre-Operative Instructions

You are scheduled for an outpatient surgery. Please read these instructions before your surgery.

- 1) Please hold the following: vitamin E, garlic, ginger, Ginkgo, and all over the counter pain medications **except** Tylenol/acetaminophen.
- 2) Please arrive 20 minutes early for your appointment. This allows us to stay on time for your procedure and the procedures of our other patients.
- 3) Depending on the procedure you are scheduled for insurance may determine is as a cosmetic procedure and deny coverage. Please discuss this with a nurse prior to your appointment if you have questions.
- 4) Every specimen removed is sent to pathology for diagnosis. This lab will bill your insurance company separately from our office.
- 5) We will call you with your pathology results. Result are usually available 14 days after your appointment. If you have not heard from our office after 14 days, please call our office at 719-667-0888.
 - Benign results will be available on your patient portal.
